ATTACHMENT I: Section 9: Grounds Raised:

I. The affidavit contained only bare and conclusory allegations of the confidential informant's reliability.

The police failed entirely to corroborate any information contained in the tip, including predictive information.

The remaining information did not denote inside information as opposed to rumor.

The affidavit did not contain sufficient information to allow the magistrate to determine probable cause; therefore, the magistrate's action was a mere ratification of the bare conclusions of police.

II. The affidavit provided the magistrate with false statements about the reliability of the confidential information and omitted other information undermining his reliability. Setting aside the inaccuracies, the affidavit recites allegations of an untested informant that were not corroborated by independent police investigation and thus this affidavit does not establish probable cause.

AO 243 (Rev. 2/95)

CAUTION: If you fail to set forth all grounds in this motion, you may be barred from presenting additional grounds at a later date.

For your information, the following is a list of the most frequently raised grounds for relief in these proceedings. Each statement preceded by a letter constitutes a separate ground for possible relief. You may raise any grounds which you have other than those listed. However, you should raise in this motion all available grounds (relating to this conviction) on which you based your allegations that you are being held in custody unlawfully.

Do not check any of these listed grounds. If you select one or more of these grounds for relief, you must allege facts. The motion will be returned to you if you merely check (a) through (j) or any one of these grounds.

ATTACHMENT II: Section 12, Grounds:

GROUND ONE: Ineffective assistance of counsel in failing to pursue safety valve at sentencing.

SUPPORTING FACTS:

At sentencing, I was at offense level 28 and criminal history category 1 with a guideline range of 78 to 97 months. Under USSB Section D 1.1(7), I met the criteria set forth in subsections 1 through 5 of Section 5C1.2(a); therefore since, as required, I had not more than one criminal history point, the offense level should have been decreased by 2 levels. My attorney did not advise me of this nor did he offer this information to the court:

1. The defendant does not have more than 1 criminal history point, as determined under the sentencing guidelines before application of subsection (b) of 4A1.3 (Departure Based on Inadequacy of Criminal History.)
2. The defendant did not use violence or credible threats of violence or possess a firearm or other dangerous weapon (or induce another participant to do so) in connection with the offense;
3. the offense did not result in death or serious bodily injury to any person.
4. The defendant was not an organizer, leader, manager or supervisor of others in the offense, as determined under the sentencing guidelines, and was not engaged in a continuing criminal enterprise, as defined in 21 USC Section 848;
5. and, not later than the time of the sentencing hearing, the defendant has faithfully provided to the government all information and evidence that she has concerning the offense(s) that were part of the same course of conduct or of a common scheme or plan; but the fact that the defendant has no relevant or useful other information to provide or that the government is already aware of the information shall not preclude a determination by the court that the defendant has complied with this requirement.

USSB Section 5C1.2, 18 USCA

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

FORMAL REQUIREMENTS AND PROCEDURE IN
MOTIONS TO VACATE SENTENCE UNDER 28 U.S.C. §2255

1. Proceedings to vacate sentence under 28 U.S.C. §2255 shall be in accordance with the Rules promulgated with respect to such proceedings by the Supreme Court and modified by the Congress by P.L. 94-426 and P.L. 94-577, effective February 1, 1997, as amended, and with the applicable provisions of the Anti-terrorism and Effective Death Penalty Act of 1996, P.L. 104-132.
2. Motions in such proceedings shall be in substantially the same form prescribed by the court (and must comply with the instructions included therein), copies of which shall be made available by the Clerk upon request.
3. THERE ARE LIMITATIONS ON YOUR ABILITY TO FILE A §2255 MOTION, AND THERE MAY BE DECISIONS YOU MUST MAKE:
 - a. There is a one-year statute of limitations for filing a §2255 motion. The one-year period begins to run from the date the conviction becomes final, or from any of three other events set out in the sixth paragraph of §2255.
 - b. All movants seeking relief under §2255 are required to file within the one-year limitation period, a single motion raising all claims for relief and the materials to be considered in support thereof.
 - c. Second or subsequent motions are not permitted in the absence of "exceptional circumstances" and then only upon certification by the Court of Appeals.

THEREFORE, because generally only one §2255 motion may be filed, a movant must consider whether all claims to be made are included in the motion AND he must be conscious of the risk that if a motion is filed and denied on its merits, no other motion can be filed challenging that conviction in the absence of exceptional circumstances and without the certification of the Court of Appeals.

4. The original motion in such proceedings shall be filed with the Clerk, and a copy of the motion shall be mailed to:

United States Attorney for the
Western District of Pennsylvania
633 U.S. Courthouse & Post Office Building
Pittsburgh, PA 15219

**MOTION UNDER 28 USC § 2255 TO VACATE, SET ASIDE, OR CORRECT
SENTENCE BY A PERSON IN FEDERAL CUSTODY**

(If movant has a sentence to be served in the future under a federal judgment which he or she wishes to attack, the movant should file a motion in the federal court which entered the judgment.)

MOTION TO VACATE, SET ASIDE, OR CORRECT SENTENCE BY A PERSON IN FEDERAL CUSTODY

Explanation and Instructions—Read Carefully

- (1) This motion must be legibly handwritten or typewritten, and signed by the movant under penalty of perjury. Any false statement of a material fact may serve as the basis for prosecution and conviction for perjury. All questions must be answered concisely in the proper space on the form.
- (2) Additional pages are not permitted except with respect to the facts which you rely upon to support your grounds for relief. No citation of authorities need be furnished. If briefs or arguments are submitted, they should be submitted in the form of a separate memorandum.
- (3) Upon receipt, your motion will be filed if it is in proper order. No fee is required with this motion.
- (4) If you do not have the necessary funds for transcripts, counsel, appeal, and other costs connected with a motion of this type, you may request permission to proceed *in forma pauperis*, in which event you must execute form AO 240 or any other form required by the court, setting forth information establishing your inability to pay the costs. If you wish to proceed *in forma pauperis*, you must have an authorized officer at the penal institution complete the certificate as to the amount of money and securities on deposit to your credit in any account in the institution.
- (5) Only judgments entered by one court may be challenged in a single motion. If you seek to challenge judgments entered by different judges or divisions either in the same district or in different districts, you must file separate motions as to each such judgment.
- (6) Your attention is directed to the fact that you must include all grounds for relief and all facts supporting such grounds for relief in the motion you file seeking relief from any judgment of conviction.
- (7) When the motion is fully completed, the original and at least two copies must be mailed to the Clerk of the United States District Court whose address is

Clerk of Court
United States Federal Court House
17 Erie South Park Row
Erie, PA 16509
- (8) Motions which do not conform to these instructions will be returned with a notation as to the deficiency.

Re: United States of America
v. Lynda Lorraine Woods
Appeal No. 05-5244

Dear Ms. Woods:

I looked into your question about whether you qualified for safety valve. The short answer is that I think it is possible you could have received the two-point reduction at sentencing.

You were at offense level 28 and Criminal History Category I with a guideline range of 78 to 97 months. As required, you had not more than one criminal history point. Under U.S.S.G. § 2D1.1 (7), if you met the following criteria set forth in subsections 1-5 of §5C1.2(a), the offense level could have been decreased by 2 levels:

- (1) the defendant does not have more than 1 criminal history point, as determined under the sentencing guidelines before application of subsection (b) of 4A1.3 (Departures Based on Inadequacy of Criminal History Category);
- (2) the defendant did not use violence or credible threats of violence or possess a firearm or other dangerous weapon (or induce another participant to do so) in connection with the offense;
- (3) the offense did not result in death or serious bodily injury to any person;
- (4) the defendant was not an organizer, leader, manager, or supervisor of others in the offense, as determined under the sentencing guidelines and was not engaged in a continuing criminal enterprise, as defined in 21 U.S.C. § 848; and

Lynda Lorraine Woods
June 14, 2007
Page 2

(5) not later than the time of the sentencing hearing, the defendant has truthfully provided to the Government all information and evidence the defendant has concerning the offense or offenses that were part of the same course of conduct or of a common scheme or plan, but the fact that the defendant has no relevant or useful other information to provide or that the Government is already aware of the information shall not preclude a determination by the court that the defendant has complied with this requirement.

U.S.S.G., § 5C1.2, 18 U.S.C.A.

Subsection (5) may be a point of contention.

It is my opinion that this issue could not have been raised on direct appeal for two reasons, one of which is that you entered into a plea agreement waiving your right to take a direct appeal of the sentence. The limited exceptions to that waiver that were set forth in the plea agreement did not apply. In any event, now that the case has been fully briefed and submitted to the panel, I do not see any way of bringing this issue to the Third Circuit's attention.

Tom Patton and I have discussed this and believe that the only way of raising this issue is to file a 2255 petition - *after direct appeal has been completed* - raising ineffective assistance of counsel in failing to pursue this issue at sentencing. Although there could be an argument that this issue is precluded by the plea agreement waiver of collateral attacks, I do not believe that waiver is dispositive.

Please feel free to call me and we can discuss this further.

Very truly yours,

Renee Pietropaolo
Assistant Federal Public Defender
